*At La French Tech London, we are committed to connecting and inspiring the London tech ecosystem. We help entrepreneurs and French Tech companies build their network and develop their activities in the UK.*

*With the FTL Barometer, we take and share a unique regular pulse of the French-UK Tech business dynamics.*

**Warm thanks to all French-UK entrepreneurs engaged with the FTL Barometer:**

They all are top relevant French-UK tech startups, either early- or late-stage, coming from France or locally founded, and with revenues / teams in the UK.
